

Twitter WeRateDogs Project

From Dogs' lovers: Your dog is your best friend but there's a lot you might not know about him! Whether your dog is young or old, these fun facts about dogs will give you new reasons to love your furry friend:

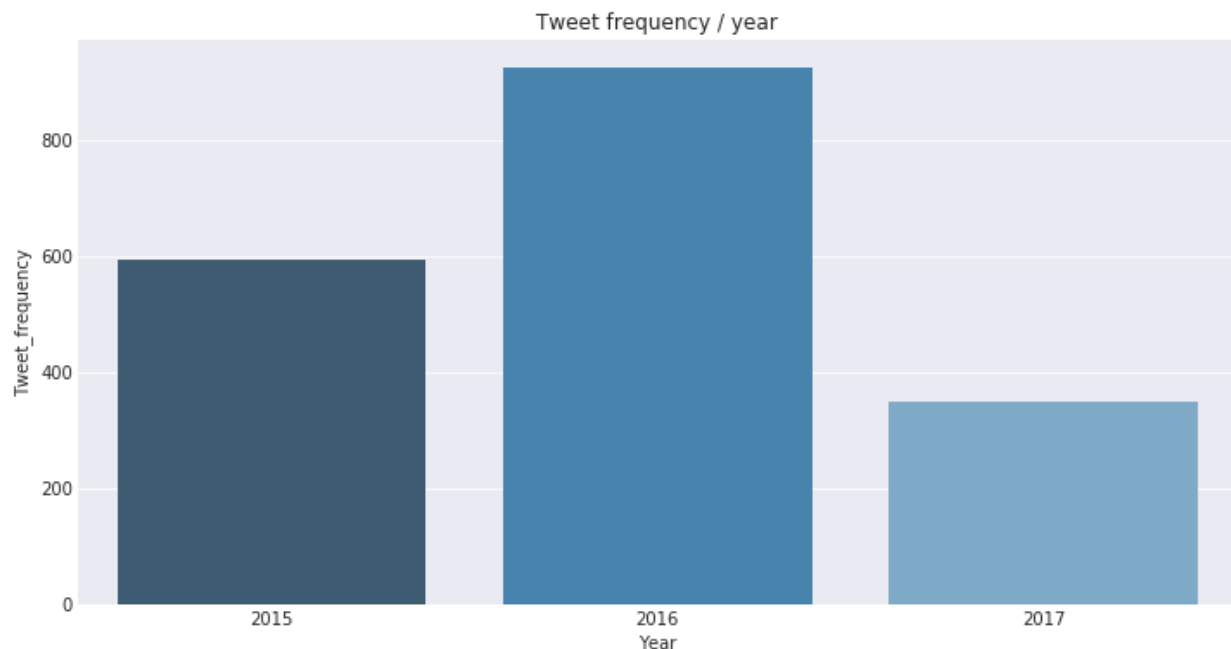

- Dogs love games such as hide and seek! Hide, then call your pup's name so she can try to find you.
- Dogs can learn more than 1000 words.
- Big happy "helicopter" tail wagging is one sign of a really nice dog.
- Upright, stiff, rapid tail movement is not wagging or "friendly" but indicates a dog who's rather excited and focused.
- Dogs grow to half their body weight in the first four to five months!
- Then take a year or more to gain the other half of their body weight.
- Tired Dogs get cranky just like little kids. If you have a fussy puppy, try nap time.
